Dear Medicare-eligible Retiree and/or Dependent,

RetireeFirst received notification from National Automatic Sprinkler Industry (NASI) Welfare Fund that you will soon be eligible for Medicare, and as a result, should be enrolled into the Aetna® Medicare Advantage PPO Plan. RetireeFirst and NASI Welfare Fund are excited to offer this comprehensive Medicare Advantage and Prescription Drug (MAPD) plan to you and/or your dependents, in addition to the added benefit of having access to RetireeFirst Advocates.

We will need your Medicare number to complete this automatic enrollment into the **Aetna® Medicare Advantage PPO Plan.**
Please call a RetireeFirst Member Advocate at (855) 433-1675 (TTY 711) to provide this information.

About Your New Plan:

Important Things to Know:

- You must be enrolled in Medicare Parts A and B to participate in the Aetna® MAPD plan.
- Put your Medicare card in a safe place in case you need it later. You will use only your Aetna® ID card for Medical and Prescription Drug coverage.
- You can use any willing Medicare medical provider, regardless of if the provider is in or out of the Aetna® network.
- No referrals are needed for Medicare covered medical services.

- You should continue to be able to use almost any retail pharmacy as Aetna® includes over 65,000 in-network pharmacies, nationwide.
- You do not need new prescriptions for retail pharmacies. Simply show your new ID card and your refills will be processed under the Aetna® MAPD plan.
- Your vision and dental coverage will continue to be through VSP Vision and Delta Dental through the fund.
- Medical Prior Authorizations are needed with this plan. We recommend you contacting RetireeFirst if you have an upcoming medical service or procedure.

Mailings to Expect in the Coming Months

We are required by law to give you the choice of opting out of the new plan. Since you are currently enrolled in the NASI Welfare Fund Medical and Prescription Drug plan it is unlikely that you would not be able to participate in the new robust Aetna® MAPD plan. However, you have the option to opt-out. If you opt out, you will not have medical and prescription coverage through NASI Welfare Fund. Nevertheless, if you would like to opt-out, please call RetireeFirst Advocates at toll free (855) 433-1675 (TTY 711), Monday-Friday, 8am-8pm EST

Enclosed in this mailing is a frequently asked questions document, an authorized representative form along with a pre-paid envelope to send your completed form back to RetireeFirst, an Aetna® pre-enrollment kit, and a RetireeFirst magnet. These items can help with questions you might have now, adding an authorized representative to your account, details about your plan, and provide easy access to the RetireeFirst dedicated phone numbers for NASI Welfare Fund retirees.

If you have any questions about your new plan, you can reach RetireeFirst Advocates at **toll free (855) 433-1675 (TTY 711), Monday-Friday, 8am-8pm EST**

Sincerely,

Your Dedicated RetireeFirst Advocacy Team
