## About Your New Plan:

### Important Things to Know:

- You must be enrolled in Medicare Parts A and B to participate in the Anthem MAPD Plan.
- Put your Medicare card in a safe place in case you need it later. You will use only your Anthem ID card for Medical and Prescription Drugs.
- You can use any willing Medicare medical provider, regardless of if the provider is in or out of the Anthem network.
- No referrals are needed for Medicare covered medical services.
- You should continue to be able to use almost any retail pharmacy as Anthem includes over 66,000 in-network pharmacies, nationwide.

- Anthem also offers a Mail Order Pharmacy called Anthem Mail Order (Ingenio Rx) for your convenience. If you would like to use the Anthem Mail Order (Ingenio Rx) Mail Order Pharmacy, you will need new prescriptions.
- You do not need new prescriptions for retail pharmacies. Simply show your new ID card and your refills will be processed under the Anthem MAPD Plan.
