Coverage that fits the way you live

When you become a member of the Humana family, you can expect healthcare designed with you in mind—that meets you where you are today and delivers care that takes you to where you want to be.

Care delivered how and where you need it

Humana offers a variety of programs for patients who need care for complex medical situations or support for chronic conditions. Through these programs, care managers collaborate with physicians and other healthcare professionals to help patients manage their healthcare needs at home, in the hospital, by phone or email.

Benefits that put you first

Our health and well-being tools and resources make it easy to set health goals, chart your progress, strengthen your mind and body and build connections with others. It's about giving you the things you expect from an insurance company—and then finding more ways to help make your life better.

Know before you enroll

You must be entitled to Medicare Part A and enrolled in Medicare Part B as the Humana Group Medicare PPO plan is a Medicare Advantage plan.

When does my coverage begin?

Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare PPO plan enrollment is confirmed.

Is your provider and pharmacy in-network or out-of-network?

You can find a doctor or pharmacy in your network by using Humana's Find Care tool, visit [Humana.com/findcare](https://www.humana.com/findcare).

What does insurance cover?

- Every health plan is different. Check coverage details before you see a doctor, use services or have procedures.
- Sometimes, your plan may not cover procedures and treatments, or may require prior authorization. Knowing what is and is not covered may save you time and money.
- See if your prescription medication is covered and if you have any open transfers that need to occur.

What if I have other health insurance coverage?

You can enroll in only one Medicare Advantage plan and one Medicare prescription drug plan at a time. Enrollment in this plan will cancel your enrollment in a different Medicare Advantage plan and Medicare prescription drug plan.

If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plans may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

Do I need to show my red, white and blue Medicare card when I visit the doctor?

No. You'll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it's needed for discounts and other offers from retailers.

What if my provider says they will not accept my plan?

If your provider says they will not accept your PPO plan, you can give your provider the "Member to Provider" information page in this packet. It explains how your PPO plan works. You can also call Humana Customer Care to have a Humana representative contact your provider and explain how your PPO plan works.

What should I do if I need prescriptions filled before I receive my Humana member ID card?

If you need to fill a prescription after your coverage begins but before you receive your Humana member ID card, take a copy of your temporary proof of membership to any in-network pharmacy.

Important Enrollment Information

Seattle Area Plumbing & Pipefitting Health Trust is enrolling you in the Humana Group Medicare preferred provider organization (PPO) plan. You do not need to do anything to be automatically enrolled in this Medicare health plan. If you do not want to join this plan, you can follow the instructions included below. You must do this before the date set by your benefit administrator.

Enrollment in this plan will cancel your enrollment in a different Medicare Advantage or a Medicare Prescription Drug (Part D) plan. However, if you are currently enrolled in a Medicare Supplement plan, you will have to take action to cancel your enrollment.

What do I need to know as a member of the Humana Group Medicare PPO plan?

This enrollment packet includes important information about this plan and what it covers, including a Summary of Benefits document. Please review this information carefully.

Once enrolled, you will receive information on how to view or request a copy of an Evidence of Coverage document (also known as a member contract or subscriber agreement) from the Humana Group Medicare PPO plan. Please read the document to learn about the plan's coverage and services. As a member of the Humana Group Medicare PPO plan, you can appeal plan decisions about payment or services if you disagree. Enrollment in this plan is generally for the entire year.

When your Humana Group Medicare PPO plan begins, Humana will cover all medically necessary items and services that are covered by the plan, even if you get the services out of network. However, your member cost share may be lower if you use in-network providers. "In-network" means that your doctor or provider is on our list of participating providers. "Out-of-network" means that you are using someone who isn't on this list. The exception is for emergency care, out of area dialysis services, or urgently needed services.

You must use network pharmacies to access Humana benefits, except under limited, non-routine circumstances when you can't reasonably use network pharmacies.

You must keep Medicare Parts A and B as the Humana Group Medicare plan is a Medicare Advantage plan. **You must also continue to pay your Part B premium. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium.** You can enroll in only one Medicare Advantage plan at a time. You must let us know if you think you might be enrolled in a different Medicare Advantage plan or a Medicare prescription drug plan and inform us of any prescription drug coverage that you may get in the future.

What happens if I don't join the Humana Group Medicare PPO plan?

You aren't required to be enrolled in either of these plans. If you don't want to enroll or have enrollment questions, please contact **RetireeFirst at 425-274-3086 or Toll-free at 855-261-9369 (TTY: 711), Monday – Friday, 8 a.m. – 5 p.m., Pacific time.**

If you choose to join a different Medicare plan, you can contact **800-MEDICARE** anytime, 24 hours a day, 7 days a week, for help in learning how. TTY users can call **877-486-2048**. Your state may have counseling services through the State Health Insurance Assistance Program (SHIP). They can provide you with personalized counseling and assistance when selecting a plan, including Medicare Supplement plans, Medicare Advantage plans and prescription drug plans. They can also help you find medical assistance through your state Medicaid program and the Medicare Savings Program.

What if I want to leave the Humana Group Medicare PPO plan?

You can change or cancel your Humana coverage at any time and return to Original Medicare or another Medicare Advantage plan by using a special election. If you choose to disenroll or cancel your plan, please contact **RetireeFirst at 425-274-3086 or Toll-free at 855-261-9369 (TTY: 711), Monday – Friday, 8 a.m. – 5 p.m., Pacific time.**

What happens if I move?

The Humana Group Medicare PPO and PDP plans serve a specific service area. **If you move to another area or state, it may affect your plans.** It's important to contact **RetireeFirst at 425-274-3086 or Toll-free at 855-261-9369 (TTY: 711), Monday – Friday, 8 a.m. – 5 p.m., Pacific time,** to provide your new address and phone number.

If you leave this plan and don't have creditable prescription drug coverage (as good as Medicare's prescription drug coverage), you may have to pay a late enrollment penalty if you enroll in Medicare prescription drug coverage in the future.

Release of Information

By joining this Medicare Advantage plan, you give us permission to share your information with Medicare and other plans when needed for treatment, payment and health care operations. We do this to make sure you get the best treatment and to make sure that it is covered by the plan. Medicare may also use this information for research and other reasons allowed by Federal law.
