About Your New Plan:

Important Things to Know:

- You must be enrolled in Medicare Parts A and B to participate in the BCBS of TX MAPD Plan.
- Put your Medicare card in a safe place in case you need it later. You will use only your BCBS of TX ID card for Medical and Prescription Drugs.
- You can use any willing Medicare medical provider, regardless of if the provider is in or out of the BCBS of TX network.
- No referrals are needed for Medicare covered medical services.
- You should continue to be able to use almost any retail pharmacy as BCBS of TX includes over 66,000 in-network pharmacies, nationwide.
