About Your New Plan:

Important Things to Know:

- You must be enrolled in Medicare Parts A and B to participate in the UnitedHealthcare® MAPD Plan.
- Put your Medicare card in a safe place in case you need it later. You will use only your UnitedHealthcare® ID card for Medical and Prescription Drugs.
- You can use any willing Medicare medical provider, regardless of if the provider is in or out of the UnitedHealthcare® network.
- No referrals are needed for Medicare covered medical services.
- You should continue to be able to use almost any retail pharmacy as UnitedHealthcare® includes over 67,000 in-network pharmacies, nationwide.

- UnitedHealthcare® also offers a Mail Order Pharmacy called Optum Rx for your convenience. If you would like to use the Optum Rx Mail Order Pharmacy, you will need new prescriptions.

- You do not need new prescriptions for retail pharmacies. Simply show your new ID card and your refills will be processed under the UnitedHealthcare® MAPD Plan.
