Important Information About Your Miami-Dade County Retiree Medical and Prescription Drug Benefits

Dear Medicare-eligible Retiree and/or Dependent,

We are pleased to inform you that there will be a change to your medical and prescription drug coverage provided by Miami-Dade County. This change is being made to address the continually increasing cost of coverage and to ensure that Medicare-eligible participants have access to comprehensive coverage at the most affordable cost.

Your dedicated team of Retiree Advocates at RetireeFirst will continue to be available to assist you with this change and provide ongoing support.

Your new group supplement to Medicare plan and Prescription Drug Plan (PDP) will be provided by **Traditional Choice® - Aetna High Opt HMO w/RX plan** effective January 1, 2026.

About Your New Plan

Plan Highlights:

- \$0 Medical Deductible
- \$0 Copays for Medicare Covered Medical Services
- \$200 Prescription Deductible
- Continued access to RetireeFirst Advocates for assistance with understanding and using your benefits

Important Things to Know:

- You must be enrolled in Medicare Parts A and B to participate in the Aetna group supplement to Medicare plan.
- You will present both your Medicare card and your new Aetna ID card to medical providers.
- You can use any willing Medicare medical provider.
- No referrals are needed for Medicare covered medical services.
- You should continue to be able to use almost any retail pharmacy as Aetna includes over 66,000 in-network pharmacies, nationwide.
- Aetna also offers a Mail Order Pharmacy called CVS Caremark Mail Service Pharmacy for your convenience. If you would like to use the CVS Caremark Mail Service Pharmacy, you will need new prescriptions.
